SAVI | QORALUX

A powerful brain sitting in a sleek 1U design, **QORALUX.One Pro** can control up to 1,024 lighting zones simultaneously over the network, making it the only lighting controller you'll ever need.

KEY BENEFITS

- Simplified installation with Class 2 wiring
- Fully embedded lighting control powerful enough for stadiums, houses of worship, museums, restaurants, and more
- 6-button front panel for easy troubleshooting and offline configuration
- End-user-enabled, simplified scene creation
- Sleek, 1U design allows for rack or wall mounting
- 8 built-in universes
- Compounded energy-efficient savings with low-voltage power distribution
- Compatible with all QoraLux drivers

SPECIFICATIONS
